On behalf of the good people and the Government of Lagos State, I write to express my heartfelt appreciation for the outpouring of love and support received from your organization, as we continue to battle the ravaging COVID-19 disease as a State.

Though this disease has taken a heavy toll on global economies, and it continues to have far-reaching negative socio-economic consequences on our own local economy. Lagos State, however, counts itself privileged to have such worthy allies and partners as yourself in its fight to contain and manage the disease.

In this vein, your generous donation of the following medical consumables are very much appreciated.

Tetmosol Soap	40 cartons

Indeed, your kind gesture is highly commendable and truly worthy of emulation by all as it underscores my sincere belief that *"United we stand; Divided We fall"*, while it will also deepen the public-private partnerships post COVID-19 and in the years ahead.
