

PROJECT

University Scholarship Programme

Focus: Education and Training

Location: Lagos State University (LASU)

Period: 2018 to date

OBJECTIVES:

- To reduce the drop-out rate among gifted students
- To contribute to economic stability through youth empowerment
- To provide quality education for high-performing and high-potential students, and create a platform for career building.

BENEFICIARIES:

Since 2018, The Jagal Foundation has awarded scholarships to twenty-five undergraduate students of the University of Lagos. Five beneficiaries are currently on the scholarship, with tuition covered from Level One to Final Year.

PROVISIONS:

Tuition, Accommodation, Books, and Living Expenses

TESTIMONIALS:

One of the beneficiaries, Mojeed Abiodun emerged Best Graduating Student, Dept. of Mathematics Education for the 2019/2020 Academic Year with a CGPA of 4.61/5.0.

Another beneficiary, Busari Taiwo emerged Best Graduating Student, Dept. of Transport Management and Operations for the 2020 Academic Year with a CGPA of 3.87.

TESTIMONIALS

"I am profoundly grateful to The Jagal Foundation for contributing to my undergraduate education success story. The scholarship I received catered for my academic needs and well-being. I graduated with first-class honours, and as the best graduating student in Mathematics."

- Mojeed Sodiq Abiodun - Lagos State University (LASU)

"The phrase 'Thank You' is often overused. Nonetheless, I am deeply appreciative to the foundation for the opportunity to grow. I gained knowledge and insight into the Logistics industry through professional exams. The know-how from the program and the financial assistance from the foundation enabled me to focus and graduate in the top 10 of my class at Lagos State University. My family and I are extremely grateful to The Jagal Foundation for all the support."

- Busari Hayatullah Taiwo - Lagos State University (LASU)
