

PROJECT:

Career Coaching and Youth Empowerment

FOCUS: Education and Training

LOCATION: JK Michaels Training Centre,
Ikeja, Lagos

PERIOD: November - December 2023

BRIEF DESCRIPTION OF THE PROJECT:
Training courses, facilitated by the JK Michaels Institute, were provided for 25 young graduates.

OBJECTIVE:

- To contribute to economic stability through youth empowerment
- To create a platform to bridge the gap between theory and practice
- To help young graduates acquire new skill sets and the mentorship required for a successful career
- To enhance the employability level of Nigeria's youth population by providing business and social etiquette training for young graduates

PROGRAM COURSES:

- CV Writing Skills
- Guide to Career Choices
- Personal Development Essentials
- Developing Personal Effectiveness
- Microsoft Word, Excel, and PowerPoint
- Building Effective Communication Skills
- Developing Powerful Presentation Skills

PROVISIONS:

Seventeen (17) out of twenty-five (25) beneficiaries completed the training and were presented with certificates of participation.

IMPACT:

Economic development through empowerment of the underserved youth population, contributing to the achievement of the United Nations' Sustainable Development Goals 4 and 8.
